

Car Hire

Through our broker, we are now pleased to offer you the possibility to book your car hire on line.

Please go to our webpage
www.italianbreaks.com/carhire.

We have a wide choice of cars from all Italian airports and main cities. Should you require a pick up/drop off to/from different locations, please contact us and we will be pleased to quote you .

It is also possible to book Child car seats in advance.

Automatic cars are available but they tend to be considerably more expensive.

If you require a people carrier, we advise you to book promptly, as this type of car is in very limited supply.
